

LED advertising at the Leipziger Messe

FAIRNET

Innovative & sustainable.

- [Our LED advertising walls are not only eye-catching, but also an innovative & sustainable solution for your advertising message.
- [With razor-sharp resolution and impressive contrast, you can present yourself to your target group on up to 6 x 3.25 meters.
- [The high brightness of our LED screens ensures that your message stands out even in challenging lighting conditions.

Radiant & eye-catching.

- [Whether you want a dynamic video clip or an eye-catching still image, we guarantee that your advertising will be shown 60 times (10 seconds each) during the main entrance times from 8.30 a.m. to 12.30 p.m.
- [You will reach trade fair visitors by broadcasting simultaneously on both screens at the Glass Hall (West Entrance).
- [Outside the main entrance times, your advertising will run continuously on our screens, so that your message will be present at least 120 times a day, depending on the length of the event.
- [Reduce your environmental footprint without compromising on quality.
